

CHICKEN & CRANBERRY CAT TREATS

MAKES: 200 CAT TREATS
TOTAL TIME: 20 MIN

INGREDIENTS

- 1 cup of rolled oats
- 2 tbsp of unsweetened & low-moisture cranberries
- 4oz cooked chicken {no salt or seasoning - cut into small pieces}
- 2 tbsp + 1/2 tsp of Olive oil
- 1 tbsp of dried catnip
- 1 Large egg

DIRECTIONS

Place your rolled oats into a blender/food processor and whizz together until you have a flour-like consistency. Add your dried cranberries & blend until finely ground. Add your remaining ingredients into your blender/food processor & whizz together until well combined. Turn everything out into a bowl.

Preheat your oven to 180 degrees celsius & line two baking trays with parchment paper. Measure out 1/4 teaspoon-sized portions, roll into a ball & press flat with your finger. Line them up evenly on your baking trays, place in the oven and bake for 15-17 mins. Or until golden brown & dried at the top. Bring out on the oven and place on a wire rack to cool completely.

Once completely cooled, they can be placed into an airtight container and can be stored in a fridge for up to five days.
